American Primary Care was established in November of 1996 by Dr. Sadhana Shah. After working for American Family Geriatric for two years she opened her own practice to treat patients with the utmost care and attention. At American Primary Care Dr. Shah is responsible for providing medical services, including general healthcare issues for patients over the age of eighteen. Dr. Shah primarily focuses on primary care, geriatric, bariatric and preventative medicine. American Primary Care is fully committed to practicing medicine first with care and compassion - the number one priority is patient wellness. Assignments from medicare are accepted, as well as HMO's, PPO's, and private patients. All medical diseases states are treated, which includes: hypertension, stroke, diabetes, infection, general physicals, paps and obesity.

WellCare is a leading provider dedicated to government sponsor healthcare programs such as Medicare, Medicaid state children's health insurance programs and others. Founded in 1985 our team of 1600 associates and over 20,000 physicians partner serves nearly three quarter of million members across six states: Florida, Connecticut, Indiana, Louisiana, New York and Illinois. The WellCare group of companies operate plans under the WellCare, StayWell, HealthEase, Harmony, and PreferredOne brands. Our company headquarters and Florida regional office s is located in Tampa, FL. Our New York and Connecticut office is located in Manhattan, NY and north Haven, CT. Harmony Health plan is located in Chicago and our newest regional office is located in Baton Rouge, LA.
