Celebrating over 40 years of excellence!

Mease Manor is a full-service retirement community located in delightful Dunedin, Florida. Founded in 1964 as one of the first "seniors only" communities in the country, Mease Manor has provided exceptional retirement living services for over 40 years.

a lifestyle of comfort and convenience

Live in the heart of Dunedin on delightfully restored Main Street, where friendly shopkeepers welcome you to explore Florida's first-awarded "Elder-Ready City." Restaurants and cafes, art galleries and a heritage museum await you. Libraries, beaches, parks and marina, fine arts and recreation centers invite you to continue to enjoy all that our location offers.

We are proud to offer spacious efficiency, one and two-bedroom apartment floor plans with plenty of closet space, large kitchens, bathrooms and oversized screened balconies.

Mease Manor gives you the flexibility of two contract options - membership or lease. In addition, our residents enjoy access to assisted living and skilled nursing care on campus.

Our residency packages include all utilities, standard cable TV, local phone service, fine dining, transportation and resident activity programs.

Mease Manor is currently engaged in a building renovation program that will transform large parts of our campus. The renovation program is part of our commitment to ensure that we provide the best living experience for our residents.
